Event details

Japanese students × international students will form a team and play against each other !

① Giant Tic-Tac-Toe Bingo Battle

- Oneteamuses“O”marks, and the other team uses “X” marks.
- Teams take turnsplacingtheir marks in one square at a time until all 25 squares are filled.
- Once allthe marksareplaced, the team with themost completed rows, columns, or diagonalswins!

② Candy Bucket Relay

- Eachteam lines up in a single row. Team members pass a bag of candy over their heads to the person behind them withoutturning around.
- The person at the back catches the bag and continues the relay.
- If a mistake happens, the game continues without stopping.
- Theteamthat successfullypasses the most candy bagsto the last person wins.

③ Obstacle Relay Race

- Participants take turnscompletingthecourse andpassing the batontothenextrunner.
- The team that completes the course the fastest wins!

④ Let's eat icecream!

Add toppings to your icecream with the ingredients we have prepared!
